TIPP-OIL Hydraulic HVLP AF 22 0002-000227

Description of the

TIPP-OIL Hydraulic HVLP AF 22 is an ash and zinc free multi-grade hydraulic oil. Hydraulic HVLP AF 22 offers high wear protection even under extreme loads due to effective additives. Hydraulic HVLP AF 22 is particularly characterized by good viscosity and temperature behaviour and reliable corrosion protection.

Application note:

Hydraulic HVLP AF 22 is mainly used in hydraulic systems with strongly fluctuating operating temperatures. AHydraulic HVLP AF 22 is ideally suited for heavy-duty hydraulic systems, earthmoving machinery and agricultural machinery. It is favoured for strongly fluctuating operating temperatures and must not be used for hydraulic systems containing silver or silver-plated construction and operating elements.

Specifications

DIN 51524 Part 3 HVLP

Tried and tested in practice in units with filling regulations:

AFNOR 48 603 HV, CETOP RP 91H-HV, DENISON HF-1, HF-0, HF-2, General Motors LH-04-1, General Motors LH-06-1, General Motors LH-15-1, ISO 6743/4-HV, Sperry Vickers 1-286-S, Sperry Vickers M-2950-S, US Steel 127, US Steel 136

Reliable protection against corrosion

Excellent wear protection

A stable viscosity index

Very good oxidation stability

The prevention of foam formation through a good air and water separation capacity

A very low yield point

Neutrality towards sealing materials

All data given are approximate values and are subject to the usual production fluctuations.

To the best of our knowledge, all data correspond to the current state of knowledge and our development. We reserve the right to make changes.
