product certificate

TIPP-OIL Classic 40 SA

Description of the

TIPP-OIL Classic 40 SA is an unalloyed all-season engine oil, the composition of which has been specially adapted to the requirements of vintage vehicles without oil filters. Suitable for petrol and diesel engines, which were developed for monograde oils of their time. Due to the carefully selected base oils, TIPP-OIL Classic 40 SA is particularly resistant to oxidation, non-foaming and ensures less deposits and wear due to its low ash content.

Instructions for use

TIPP-OIL Classic 40 SA is particularly recommended for pre-war Ir engines where there is no oil filter and sludge is to settle in the oil pan.

TIPP-OIL Classic 40 SA Also suitable for transmissions in vintage and historic cars.

Quality Classification

specifications

API SA

TIPP-OIL Classic 40 SA has been tried and tested in practice in units with filling regulations:

Features & Benefits

excellent material compatibility
prevents varnishing and coking of cylinders, pistons and valves
high oxidation protection due to selected base oils
Safe lubricating film at high operating temperatures
Neutrality towards sealing materials
Excellent protection against wear, corrosion and foam formation.

Technical characteristics

Properties Data Unit Test according to
kinematic viscosity at 100°C 13.87 MM²/S DIN ISO 51562-2
viscosity index 95 DIN ISO 2909
appearance YELLOW visual
density at 15°C 884.6 KG/M³ DIN EN ISO 12185
Pour Point -12 °C ASTM D 7346
