product certificate

TIPP-OIL ATF SP SP IV RR (red)

ATF SP-IV RR is a synthetic transmission oil for automatic transmissions which ensures a high level of wear protection. ATF SP-IV RR has been specially developed for the specified specifications and applications.

Application note:

ATF SP-IV RR is particularly suitable for use in Hyundai and KIA 8-speed automatic transmissions. The operating instructions of the vehicle and engine manufacturers must be observed.

Specifications:

Other specifications

Tried and tested in practice in units with filling regulations:

Hyundai 04500-00117, Hyundai EQUUS, Hyundai GENESIS, Hyundai GENESIS Coupe, KIA MOHAVE, KIA QUORIS

Very good lubricating properties:

Very good lubricating properties

High, stable viscosity index

Very good oxidation and shear stability

Excellent coefficient of friction stability

High wear protection, thus extended service life of the gears
