product certificate

TIPP-OIL CVT NS-3 Green ATF

CVT NS-3 is a fully synthetic automatic transmission lubricant of the latest generation for CVT automatic transmissions. CVT NS-3 guarantees optimum power transmission. CVT NS-3 is designed on the basis of fully synthetic oils (PAO) with a special additive and inhibitor that ensure the proper functioning of the automatic transmission.

Application note:

CVT NS-3 is designed for use in CVT automatic transmissions (Belt-CVTs and Chain-CVTs). CVT NS-3 ensures a stable viscosity even under the highest mechanical stress in the transmission elements (thrust link belt).

Specifications:

Other specifications

Tried and tested in practice in units with filling regulations:

Nissan NS-3

Very good lubricating properties:

Very good lubricating properties even at low temperatures in winter

Very high, stable viscosity index

Very low flow point

Very good oxidation stability

Extensive protection against wear, corrosion and foam formation
