TIP-OIL Motorcycle 10W-30

MotorCycle 10W-30 is a heavy duty engine oil for demanding 4-stroke motorcycles. It enables fuel-saving operation of the engines and is specially designed for wet and oil-lubricated clutches. MotorCycle 10W-30 is characterised by excellent cold starting properties as it ensures optimum lubrication safety during the cold running phase.

Application note:

MotorCycle 10W-30 is particularly suitable as a high-performance smooth running engine oil for all motorcycles when the SAE 10W-30 specification is required. MotorCycle 10W-30 meets the high-tech requirements of the latest high-performance engine generation.

Specifications:

API SL, JASO MA2

Properties:

Excellent cold start properties

Very stable viscosity index

Neutrality towards sealing materials

Fast oiling of the engine

Low evaporation tendency, thus low oil consumption

Prevention of sludge, varnish, coking and corrosion
